# OUR MISSION

## The Haddonfield Friends of the Library

is a group of passionate, like-minded volunteers who donate their time, energy and talent to sustain a vibrant and diverse free public library in our town and to provide additional programming and special projects that would otherwise not be available to the Haddonfield community.

### Our mission is to enhance our Library

by raising funds through membership dues and fund raising for critical programs and services for all ages, to underwrite educational and cultural events and to advocate for a state-of-the-art, collaborative, life-long, learning environment.

**Through memberships and fundraising, we provide funds that contribute to the excellence of library services.**

We're only able to accomplish our mission with your support and generosity. With **Membership in Friends of the Library**, you will join a distinguished group of Haddons to help: Strengthen our library and our community; Increase awareness and utilization of the Library's multitude of resources; Advocate for strong municipal support of our Library; and Volunteer at our annual Book Sale and special events.
